

We Support Your Cause!

If you are non profit or other group who relies heavily on donor contributions, sponsor dollars and patron participation to raise money, then joining the W.I.N. Network is essential!

How It Works

- The Non Profit (NP) Partner joins The W.I.N. Network
- Then Custom Membership cards are created for their members & donors
- NP Partner begins utilizing W.I.N. Membership, Event and Communications solutions
- W.I.N. begins encouraging W.I.N. merchants to support the cause*
- W.I.N. begins contributing to NP Partner on any points revenue earned from its members or donors
- Consumers begin shopping at any W.I.N. merchant (with a single card no matter where they obtained it) and earn points for Cash Back that can be donated to the Non Profit Partner.

* W.I.N. can actively work to secure retailers on behalf of all W.I.N. Partners
